OFFICE OF THE DAILY APPEAL, | MEMPHIS, November 22, 1869. ket have not materially changed during for Middlings each day of the week at to \$650; XXX and Fancy \$6.75 to \$8. usual-say from %6% discount-check- "taxation has been laid much more light- anges \$7618 per bbl.

The money stringency is not confined goes on to say: to Memphis. New Orleans, St. Louis and other cities are suffering equally as much as we are in this respect, and the pros-

Selling at 67(26)c.
Gold has been lower this week, and the cause assigned is the agitation of the subject of a return to specie payment. Very hidle of the precious metal comes in for said, while several orders are held for smill amounts, and dealers have hid ject over New York rates, but are unable to fill. It closed in New York to-day at 1264, the lowest point it has reached since May, 1866.

discourage the investment of Southern capital in manufactures, moning and rail-roads, moning and rail-roads are left of the subject to the constant of the constant of the constant drain of gold. Had it not been for Pennsylvania petroleum the drain would have been far more serious. The strangest part of the affair is that the South has gone so heavily into cotton manufactures; moning and rail-roads demand for second hand at 18c to 17c.

THE COMPANY KNOWN TO THE PUBLIC

spelly on board the vessel intended to re it, instead of the present mode of put first on slore, thereby saving time, labo expense. The Boats will also be divided

expense. The Busts will also be divided into distinct compartments—so, if they encounter snags, or any accident should happen to the hull, the boat will not be endangered. They will also have complete apparatus for extinguishing fire by steam, and conducting water over the vessel for domestic user and will be in every respect safer, switter, and hetter adapted for carrying passengers and freight, and at a chasper rate than any boats now navigating the Missbaippi river.

Owing to the difficulty of obtaining cash subscriptions to any enterprise, no matter, how great its merit, the Company invested for great its merit, the Company invested the Capital Stock. In doing so, we have at once a substantial basis; and as it is vey reasonably expected that within a shart time and swill considerably appreciate in value.
